# Section 1 – GENERALITIES

## **100 PROMOTION AND NATURE OF THE COMPETITION**

- 100.1 World Masters Athletics (WMA) and the World Mountain Running Association (WMRA) shall sanction the staging, on an annual basis, of the “World Masters Mountain Running Championships” (hereafter called the “Masters WCh”).
- 100.2 WMA Council agrees that WMRA will be responsible for the organisation of the Championships.
- 100.3 **Applications** to stage the Championships may be submitted by any member of WMRA who will present its candidature together with the Local Organising Committee (LOC), or by a Local Organising Committee whose federation is not concerned with masters’ athletics.
- 100.4 These Regulations define the rights and duties of all parties involved in the Championship; they may be amended from time to time. Changes to these rules may be made by agreement between WMA and WMRA Councils. All such changes must be observed by all parties upon receipt of the amended version.
- 100.5 The WMRA will advise the Local Organising Committee (LOC see hereafter) in every aspect of the event. This will include all necessary site visits by the WMRA Delegate and advice by the WMA appointed safety officer.
- 100.6 All the **rights** related to the Championships belong to the WMRA who can forward them to the LOC through a written agreement.
- 100.7 The **event title** shall normally have also the edition number, the venue and the date: “XX<sup>th</sup> WMA/WMRA World Masters Mountain Running Championships – Venue, Country, Date”. In the case there is a title sponsor, the name of the sponsor will be included: “XX<sup>th</sup> WMA/WMRA/Sponsor World Masters Mountain Running Championships – Venue/Country, Date” or “XX<sup>th</sup> WMA/WMRA World Masters Mountain Running Championships – Venue/Country, Date presented by Sponsor”
- 100.8 **Date is free**; it shall not clash with any other major WMRA or WMA event (Championships, World Cup; see also clause 103).
- 100.9 **Overall Programme**  
As part of its Application, the LOC will propose an overall programme of activities which standard format is the following:

<b>Tuesday:</b>	afternoon afternoon	WMRA officials arrive Start of the Accreditation; open till Sunday morning
<b>Wednesday:</b>	All day All day	Accreditation (continued), WMA officials arrive Early arrivals visit of the courses
<b>Thursday:</b>	All day 16:00 – 16:30 17:00 – 17:30 18:00 – 19:00	Visit of the courses Press conference – optional Technical meeting – uphill races – optional Opening Ceremony
<b>Friday:</b>	Morning All day Afternoon Evening	<b>World Championships – Uphill races</b> Visit of the Ultra Long Distance courses Technical meeting – Ultra Long distance Race Awards Ceremony
<b>Saturday:</b>	Morning All day Afternoon Evening	<b>World Championships – Ultra Long Distance Race</b> Visit of the Long Distance courses Technical meeting – Long distance Race Awards Ceremony
<b>Sunday:</b>	Morning Afternoon Evening	<b>World Championships – Long Distance Race</b> Awards Ceremony Final Banquet

- 100.10 The LOC must conduct the activities related to the Championships in such a way as to best promote the goodwill associated with the WMA & WMRA and shall not at any time disparage the good name, reputation or image of the WMA & WMRA.

100.11 **WORLD ATHLETICS, WMRA and WMA Rules/Regulations** shall apply for anything not provided for by these Regulations.

**101 BIDDING PROCEDURE**

101.1 Even if these Regulations refer to the obligations of the Local Organising Committee (LOC see hereafter), the **responsibility of the OM is fully engaged** through its signature of the Contract with WMRA.

101.2 **Applications** for staging the Masters WCh will normally be considered **two years in advance** of the competition according to the following schedule

- a) In January, WMRA will send out the “Invitation to bid” to all WMRA and WMA Members. This invitation will include the “Application Form” as well as the “Regulations” and the “Contract”.
- b) WMA will annually supply the list of current WMA member federations
- c) By **30<sup>th</sup> June**, the full Application form must be sent back to the WMRA Secretary with the “**Contract**”, in three copies, duly signed by the OM and the LOC authorised representatives;
- d) The bids will then be evaluated by the WMRA Council;
- e) The final decision for the date and the venue is made by the WMRA Council in September.
- f) The normal procedure should be as follows:

YEAR 1												YEAR 2												YEAR 3																	
Jan	Feb	Mar	Apr	May	Jun	Jul	Avg	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul	Avg	Sep	Okt	Nov	Dec	Jan	Feb	Mar	Apr	Maj	Jun	Jul	Avg	Sep									
↓								↓																↓													↓				
Invitation								Candidatures																Web page													Team manual Invitation				

- 101.3 The **Application shall include** information as indicated in this document, notably:
- the name of the relevant OM
  - details of the LOC, name of contact person and contact details
  - experience of organising mountain races or other international sporting events
  - possible competition dates
  - name of the city and country
  - accommodation details: available hotels with recommended prices
  - accommodation for additional functions: Opening ceremony, Closing & Award ceremony, Press, Medical, Doping, etc.
  - location and accessibility of race venue
  - transport arrangements
  - medical arrangements
  - proposed event program
  - proposed race course details: figures/map/profile/GPS track, etc.
  - budget: expected expenditure and sources of income
  - sponsorship: the names of sponsors who have been or will be approached
  - publicity and media coverage proposals

101.4 WMRA Council may veto an Application if they believe that there are major reasons for considering it unsuitable.

- 101.5 **Voting** for the candidates follows the WMRA Constitution Rules 11.6/7/8/9:
- a) When there is only one candidate supported by the Council, this candidate is considered as elected.
  - b) Where there are more than two candidates and none gains the absolute majority of the valid votes, the candidate with the lowest number of votes shall be excluded and a further vote taken. The voting continues until one candidate receives the absolute majority of the valid votes.
  - c) Voting will be by secret ballot.
  - d) In the event of a tie between two candidates persisting after second ballot, there will be a draw of lots.

**102 AUTHORITY AND DUTIES OF THE WMRA CONGRESS**

Not relevant

**103 AUTHORITY AND DUTIES OF THE WMRA COUNCIL**

The Council shall:

- implement any changes to the Regulations when they seems necessary
- study and eventually approve any changes to the Regulations proposed by a WMRA Member
- decide the venue and the date of the Championships (this date is variable but must not clash with any other WMRA Championships or World Cup events, World Athletics Area Association Mountain Running championships or WMA Championships; see clause 100.8).
- enter into a Contract with the OM and LOC
- appoint, at least eighteen months before the Competition the WMRA Delegate

#### 104 **OFFICIAL LANGUAGE**

The WMRA official language is English and all correspondence has to be in English.

## **Section 2 – TECHNICAL REGULATIONS**

The Championships Technical Regulations generally comply with World Athletics Competition and Technical rules, Rule 57 and WMA Rules with more detailed specifications specified in this document.

### 200 **THE COURSE, START AND FINISH**

#### 200.1 **Courses – general**

- a) Long and Ultra long distance races could be on a loop course or on a “point to point course”; in this case START should not be higher than the FINISH.
- b) Races must take place on terrain that is mainly off-road, with Less than 20% of the distance could be on the asphalted road.
- c) The highest point on the course should not exceed 3.000 meters altitude.
- d) The course should not include dangerous sections; in the case such sections could not be completely avoided, they shall be additionally marked or even marshalled.
- e) The course should not be too steep; the average incline per 0,5km long sections should not exceed 20% (100 meters per 0,5km).
- f) The entire course shall be clearly marked with tapes, arrows or any other signs that shall also indicate the name of event.
  - For the uphill course, this includes kilometre marks that will indicate the distance to the finish every km.
  - For the Long distance and Ultra long distance courses, this includes kilometre marks that will indicate the distance to the finish at least every 5 km.
  - Before the finish line, 500m / 250m / 100m should be marked.
- g) Using shortcuts must be prevented.
- h) The course distance should be defined in kilometres with accuracy of 0,1km (i.e. 8,3km)
- i) A detailed course map and GPS track must be provided along with a profile.
- j) Downhill sections must not have rock steps or loose rock.
- k) There should be no sharp bends in the first 250m of the course; first 100m should be fenced
- l) There should be no sharp bends in the last 100m of the course; this should be fenced
- m) The course shall be wide enough in the first part to allow runners to form an extended group.
- n) In case of extremely bad weather, when the safety of the participants could be threatened, the LOC shall have prepared a “bad weather scenario” that may include change of the start time or/and change of the course (changed course, changed finish position etc). In any case, the date of the event will not be changed, only the time of the start. The final decision shall be taken by the WMRA Delegate on proposal of the LOC experts and shall be announced latest two hours before the planed start.

200.2 **Recommended Course parameters and race regulations** (in force 2024)

	uphill	Long	Ultra long
<b>Distance</b>	<b>8 - 10km</b>	<b>20 – 30km</b>	<b>40 – 50km</b>
<b>start</b>	By age and gender categories	All together	All together
<b>Refreshment stations</b> – see item 202	Approx every 3 km	Approx every 5 km	Approx every 10 km
<b>Mandatory gear</b>	No	No	Yes
<b>Poles</b>	No	No	Yes*

a) **Course regulations:**

- At all courses, the average recommended elevation gain is 80 - 100m/km
- The courses depend on the natural conditions and so the values are approximate.
- When the courses distances are inside the limits, here could be one course for all categories.
- When the courses are close to the upper limit, the categories W/M 55 and older can run shorter course as provided above.
- The delegate shall check the course and advise the LOC regarding the course.

b) **Mandatory equipment** – for ultra long race, any mandatory equipment should be indicated by the LOC according to the local environment and terrain. The details must be agreed between the LOC and the technical delegate and defined in the event regulations for the event. If there is mandatory equipment, this must be checked before the start of the race and/or after the finish of the race.

c) \* **The use of poles** - The details must be agreed between the LOC and the technical delegate and defined in the event regulations for the event.

200.3 Any course which exceeds any parameter specified in rules 200.1 – 200.2 by more than 20% cannot be approved by the WMRA Delegate but the Council can approve such course in exceptional circumstances.

200.4 **Start**

- Above the Start line, the LOC will build a solid gantry which design should be approved by WMRA Delegate. It shall include the title of the event including the edition, the date, the venue, WMRA and WMA logos (sized at least 1 square meter), sponsors recognition.
- Start line should be clearly marked on the ground and positioned exactly below the gantry
- Warming up area, call room, start box, toilette facilities for all start locations as well as the start procedure shall be defined in the “Event manual” (see Clause 205.4)
- Covered area (tent) shall be available at least for changing dresses and luggage pick up
- Drinking water in sealed bottles shall be available (especially in the case of hot weather)
- When entering the call room, start numbers and chips shall be checked.
- Start procedure:**
  - “uphill” races: starts are organized separately for different age/gender categories
  - “long distance” and “Ultra long distance” races: there should be one start for all age and gender categories that are running the same course.

200.5 **Finish**

- Above the Finish line, the LOC will build a solid gantry which design should be approved by WMRA Delegate. It shall include the title of the event including the edition, the date, the venue, the WMA and WMRA logos (sized at least 1 square meter), sponsors recognition.
- Finish line should be clearly marked on the ground and positioned exactly below the gantry
- Last 100m including finish gantry shall be wide enough to ensure that several runners may finish shoulder to shoulder (at least 3m). This part shall be also fenced.
- There shall be no sharp bends in the last 100m of the course
- There shall be enough space inside and around the finish area to organise necessary facilities (mixed zone):
  - time-keeping service,
  - space for photographers and other media representatives (journalists, TV...),
  - refreshments,
  - luggage delivery,
  - doping control – space for chaperones, suitable control station,

- medical service,
  - desk for unofficial results,
  - space for referees & jury of appeal.
- 200.6 The Local Organising Committee should pay due regard to **mountain ecology** and preservation:
- a) when planning the courses, only existing paths should be used
  - b) the LOC must ensure that all materials (marking tapes, cups, bottles, sponges etc...) displayed all along the course including start and finish area are collected at latest 2 days after the competition.
- 200.7 In the case that start and finish are not on the same location, the organiser shall provide **transport** of the **luggage** from the Start to the Finish. The pick-up and delivery procedure shall be explained in the Event manual.

## **201 TIMING & RESULTS**

- 201.1 It is the responsibility of the LOC to provide the service of an **experienced company** who will deliver the timing services and do the results.
- 201.2 The usage of **chips** is compulsory as well as a **video recording** of the finishes.
- 201.3 Hand timing must be operated as **back up**.
- 201.4 The presentation of the **results** (and especially the results of the teams) must be in the **format** defined by WMRA.
- 201.5 The same company will also establish the **start lists**.
- 201.6 LOC shall also discuss with WMRA the distribution plan of the **start lists** and final results.

## **202 REFRESHMENT STATIONS**

- 202.1 Water and other suitable refreshments shall be available at the **finish** of all races.
- 202.2 **On the course**, refreshment stations shall be provided at intervals
- a) For "uphill races" approximately 2-3 kilometres (approx. 10 minutes of running), based on weather conditions. Cold plain water and energy drinks should be available.
  - b) For "long distance races" approximately 5 kilometres (approx. 20 minutes of running), based on weather conditions. Cold plain water and energy drinks (in cups) and food should be available.
  - c) For "ultra long distance races" approximately 10 kilometres (approx. one hour of running) based on weather conditions. Cold plain water, energy drinks and food should be available. Organization partly according to ITRA regulations, with no boxes for teams.
- 202.3 The organizer should specify what energy drink/food will be available.
- 202.4 Refreshments, which may be provided either by the organizer or the athlete, must be located at the refreshment stations in such a way that they are easily accessible to the competitors
- 202.5 Competitors providing their own refreshments may take it only from their supporters at the official refreshment stations only.
- 202.6 Competitors, who take refreshments at a place other than the refreshment stations, render themselves liable to disqualification.
- 202.7 The organizer shall provide a litter drop zone just after the stations and runners who would not respect this render themselves liable to disqualification.

## **203 CONTROL OF THE ADVERTISING: ATHLETES' CLOTHING & EQUIPMENT**

Not relevant for this event

## **204 ANNOUNCEMENTS TO THE PUBLIC**

The LOC is responsible for installing a sound system on the finish (and, where relevant and feasible, at the start) area; they will also provide adequate announcers. Any public announcements shall use the full official title of the competition; they should also make a "thank you" to all the WMA, WMRA and National Partners involved in the event, specifically naming each individual sponsor. English and local language shall be used.

## **205 OTHER TECHNICAL ASPECTS**

- 205.1 **Assistance:** it is forbidden to pace athletes or give or use /accept/ any other unauthorised assistance (pushing....) during the race.
- 205.2 If a runner goes off course, thereby shortening the race distance, he or she shall be disqualified.
- 205.3 **Competition Uniform:**  
All participants should wear the national uniform during.
- 205.4 **“Event Manual”:**  
The LOC is responsible for the production of an Event Manual in accordance with the following guidelines
- it has to be ready no less than four months before the competition
  - WMRA will provide a template
  - the LOC prepares a draft and submit it the WMRA Delegate and Secretary
  - WMA shall also confirm the Event Manual
  - the final version will be sent to the WMRA Members by the WMRA Secretary. Must be also posted on the LOC website (and be available for download)
- The standard content of the Event Manual shall be:
- full name of the event with the venue, date and WMA, WMRA & event logos on the cover
  - VIP speeches (possible: WMA, WMRA, LOC; also local authorities & MF)
  - organising committees’ composition (honorary, LOC, technical LOC)
  - detailed programme and timetable
  - courses presentation (basic information like distances, elevations, course surface etc)
  - course profiles and maps
  - visa information
  - accommodation information
  - transport information (international, local)
  - other technical and organisational information
  - financial aspects that are important for the participants
  - athletes have to be reminded that they are responsible for their personal insurance against injury
- 205.5 **Bibs**
- a) It is the LOC’s responsibility to supply 2 bibs per runner **for each race**; they should be worn front and back. They must be visible at all times; if the runner has a backpack, they number may be attached to that.
  - b) An additional bib can be used for the personal luggage
  - c) Bib size shall not exceed 20 x 18 cm
  - d) Bibs shall be different colours for different age and gender categories
  - e) Bib shall include:
    - full name of the event (with the name, date and the venue + WMA/WMRA logo) on the top
    - start number (different colours background and numbers for different age and gender categories)
    - runner’s name if possible (front)
    - space for sponsors on the bottom
- 205.6 **TIC:** the LOC will provide a suitable Technical Information Centre (TIC) with persons and materials necessary for giving information to all the participants.
- 205.7 **Open Race:** the LOC can propose to the WMRA the staging of ‘Open races’ for other age group.

## 206 ENTRIES

- 206.1 **Invitation to Compete** (see also: 101.2.a, b)
- a) All WMRA and WMA Member Federations shall be entitled to compete.
  - b) Invitations to compete will be sent by the WMRA Secretary at least four months before the Competition
- 206.2 **Age Categories**
- a) Athletes’ age group shall be determined by the date of birth. An athlete shall compete in the age group for which he/she qualifies **on the day of the race (it means, that it could happen, that the runner could run one race in one category, and a day or two later in the older category)**

- b) The competition shall be conducted only in the following age groups:

Age group	35 - 39	40 - 44	45 - 49	50 - 54	55 - 59	60 - 64	65 - 69	70 - 74	75 - 79
female	W35	W40	W45	W50	W55	W60	W65	W70	W75
male	M35	M40	M45	M50	M55	M60	M65	M70	M75

- c) There is no category for age 80+. Masters 80+ years old are not allowed to compete.

### 206.3 Control of citizenship and age:

- a) It is a LOC responsibility to check the evidence of age and nationality (passport or other)  
 b) For the citizenship, the WMRA Rules will be implemented.

### 206.4 Preliminary Entries

Not relevant for this event

### 206.5 Final Entries

- a) On the Entry form, the LOC shall include the following sentences:  
 ⇒ I confirm that I will respect the World Athletics Anti-Doping Rules and Regulations and in particular, I agree to comply with any request from a certified official to provide a sample for anti-doping analyses.  
 ⇒ I confirm that I'm physically fit enough to participate.  
 ⇒ I confirm that I'm endorsed by my national federation
- b) Normally, the entries deadline is 4 weeks before the event. No late entries will be allowed unless the LOC and the WMRA Delegate agrees.
- c) The LOC should send the list of entered runners from each country to the Member Federation 3 days after the entry deadline. The Federation should be asked to approve/not approve the names on the list within 3 days. Where no response is received from the Federation within this time, a reminder will be sent. Athletes whose entry is not supported by their Federation, once formally informed by the LOC, will be given a further week to resolve their situation should they wish.
- d) The final start lists should be published by the LOC two weeks before the start of the event
- e) For countries with many entries to the event, the provisional entry list should be sent to the Federations in batches of 50/every 2-3 weeks (this will be particularly important for the host country/Federation where the number of entries could be several hundreds)
- f) The WMRA will provide the list of contacts for all the Federations. If this is not possible, the list will be sent to the World Athletics Member Federation standard e-mail address: ABC@mf.worldathletics.org where ABC is the WA country code
- g) The WMRA delegate will oversee this process and help where necessary

### 206.6 Final Confirmation

Entry will be finally confirmed upon arrival when taking over the start number.

### 206.7 Entries procedure

- a) In case of a need of interpretation of these Regulations, the WMRA Delegate has full authority to take the decision which he seems is the most appropriate.
- b) Entries will be accepted either from individuals by direct application to the LOC, or from individuals or groups via the national athletic federation.
- c) The LOC must ensure that all competing athletes will guarantee that they will respect the World Athletics Rules in term of doping controls.
- d) Entry will be refused to any athlete suspended from competition by a national federation.
- e) Competitors must provide assurance that they are physically fit enough to participate by signing a declaration on the entry form to this effect.

### 207 TEAMS SCORING (in force 2018)

- a) Team medals will be given to the first three teams in all races and categories
- b) There could be only one team per country.
- c) In all categories, team results shall be decided by the aggregate of places recorded by the first three runners.

- d) Also teams with only 2 members are classified, but after all teams with 3 members
- e) There is no requirement to declare team members in advance.
- f) There will be no adjustments for non-scoring athletes
- g) The “3 runners team” with the lowest aggregate of points will be judged the winner.
- h) Any tie will be decided in favour of the team whose last scoring member finishes nearer the first place.

## **208 WMRA & WMA DELEGATES & OFFICIALS**

### **208.1 List**

- a) The WMRA will appoint the WMRA Delegate as well as a maximum of three additional representatives.
- b) The WMA will appoint a WMA representative and nominate a WMA Safety Officer.

### **208.2 Working conditions**

- a) The LOC shall be responsible for providing the best possible working conditions (accreditation, rooms, transportation, equipment etc....) for the WMRA Delegate.
- b) The LOC can have direct relations with the WMRA Delegate but a copy has to be sent systematically to the WMRA Secretary.

### **208.3 Expenses** - The LOC shall bear the costs of:

- a) The WMRA Delegate: (who may be accompanied) full board accommodation expenses (overnight in a single room or double and three meals, including drinks), travel (economic class) for the site visit and the competition (for a period of not more than two days before until one day after the end of the Championships)
- b) Accommodation of a maximum of 2 people (or couples) nominated by the WMRA (Council members or guests) for a maximum of four nights
- c) The WMA representative and Safety Officer: full board accommodation for the period of competition.
- d) Representatives of the next World Championships (two persons, four nights)

## **209 DUTIES OF THE DELEGATES**

### **209.1 The WMRA Delegate**

- a) shall act in conformity with WMA / WMRA / World Athletics Rules and Regulations.
- b) shall send a written report to the WMRA Council and WMA (after the site visit and after the event itself).
- c) shall at all times retain responsibility for ensuring that the Championships is organised to the approved standards.
- d) is the liaison between the WMRA Council, the WMA, the OM, the LOC and all other appointed Delegates,

- f) shall approve the courses,
- g) shall approve the races timetable,
- h) shall approve the start list,
- i) shall control the timing – results;
- j) shall nominate the members of the Jury of Appeal

### **209.2 The WMA Safety Officer**

- a) The World Masters Athletics (WMA) Safety Officer has the authority to withdraw from competition any athlete whose continued participation in that competition would, in the opinion of the Safety Officer, endanger the athlete's health or the safety of the other competitors. The Safety Officer may exercise his authority through the WMRA Delegate, the LOC and the Medical Services of the Championship.
- b) The WMA Safety Officer will work through the WMRA Delegate on safety matters.
- c) The WMA Safety Officer and the WMA representative may be the same person.

## **210 DUTIES OF THE JURY OF APPEAL**

- 210.1 The members of the Jury of Appeal shall be nominated by the WMRA Delegate.
- 210.2 Jury of Appeal consists of 3 regular members (one representative of WMRA, one of the WMA and one of the LOC), one reserve member and (eventually) one secretary.
- 210.3 The nominated members should come from different countries – WMRA members.
- 210.4 The Jury of Appeal and the appointed Secretary to the Jury shall act in conformity with World Athletics Competition Rules, item 12 (page7), as well WMA and WMRA Regulations.
- 210.5 In case of a protest, the Members of the Jury of Appeal may request (if available) from the LOC or the timing company or the TV broadcaster to provide a film of the race to be shown on an appropriate video equipment.

## **211 COMPETITION OFFICIALS**

The OM is responsible for the appointment of all technical officials, whose competence must be guaranteed. Normally those are:

Position	Responsibilities

- o) WMRA president finishes the speech with "I declare the event closed", while the flag is lowered and folded (this could be done also in advance).
- p) LOC representative of past event and LOC representative of the following event are invited to the podium. Hostess brings the flag and gives it to the hosting LOC representative. He gives the flag to the WMRA President and he gives the flag to the representative of the next organiser.

## **609 FLAGS**

### **609.1 Delegations' Flags**

The venue shall be decorated with the official flags of the participating delegations to be provided by the LOC. These flags must be checked by the WMRA Delegate before they are displayed.

### **609.2 WMRA and WMA Flags**

The WMRA and WMA flag must be flown at all official sites. WMRA Delegate shall provide the WMRA flags and banners and WMA representative shall provide WMA flags.

## **Section 7 – MEDICAL & ANTIDOPING**

### **700 MEDICAL SERVICES (See below)**

#### 700.1 **Definition of the needs**

Medical service should cover medical problems during the event, including daily medical problems and mountain running (race connected) medical problems.

#### 700.2 **Medical Services for the teams**

The LOC will send to the WMRA Delegate, two months before the competition, the proposed plan for:

- the type of service which will be available to the teams without medical staff.
- for the teams coming with a medical staff (they will need adequate facilities for physio, free of charge to the teams).
- Services on the competition site: personnel, equipment, service, ambulance, system to move the injured athletes in zones where ambulances cannot access ....

#### 700.3 **Hospital**

The LOC will inform the nearest hospital that Championships will be organised. When necessary, helicopter should be available.

#### 700.4 **Costs**

In case of the need of a hospitalisation, the financial responsibility of the LOC ends when the ambulance enters the hospital. Additional costs have to be paid by the teams who are encouraged to take an insurance to cover these risks.

### 701 **MEDICAL GUIDELINES**

The WMA Safety officer must cooperate with the LOC Medical Staff before the event.

Arrangements shall be made for the attendance of qualified medical doctors and ambulances for the use in case of emergency. There are 4 keystones to focus on:

#### 701.1 **Competent and sufficient personnel**

The medical personnel has to evaluate and treat environmental and exercise related problems such as dehydration, hyperthermia, hypothermia, exercise associated collapse, anaphylactic shock, hives, asthma exacerbation, diabetic insulin reactions, dermatologic and orthopedic problems.

- a) Medical director: should have knowledge about concerns and problems of running, especially mountain running. Medical director has overall control of all medical operations. If the director is not MD, one MD has to be in reach, and be reachable within 5 Minutes at day of the race for advice. The Medical Director should hand out transfer-guidelines for example - District's emergency number, hospitals, emergency medical vehicles, police and fire fighters etc.
- b) Medical staff is divided into professionals and non-professionals/volunteers
  - Professionals: MD, nurses, paramedics, physiotherapists, EMT, who have experience with critical care and emergency room, are able to use the defibrillator
  - Non-professionals: have had CPR certification lately, could be Physiotherapists, nurses, paramedics, massage staff, EMT (emergency medical technician), certified athletic trainers, first responders...
- c) Number of staff: 2-3 MDs, 6 professionals, 4 non-professionals, 8 volunteers depending if the course is a round course, at a critical altitude and weather conditions).
- d) Insurance: The medical director and medical team should be included in the insurance coverage of the race organisation
- e) Organisation during the race:
  - First aid stations
  - Positioned with physician, nurses, paramedics, EMT, or massage therapist with first aid experience.
  - Flexible medical vehicles/ First response teams - MD, Paramedic, nurses, EMT defibrillator on board is necessary
  - Defibrillator equipped motorcycle/car which is able to cross the course within 4 minutes, operators must be trained to use the defibrillator and the team must be integrated to the local emergency medical system. Several teams assigned along the course to follow the main pack and separated by 2-4 km will give rapid access to most of the runners.
  - Finish line personnel: 1 physician, 3 professional medicals, 4 volunteers
  - One person is the director for the finish line field
  - Medical educated personnel, who can evaluate the problems: medical illness and injury/massage category.

- Non-medical personnel: recording medical data, retrieving dry clothing, distributing census information to concerned parties and general assistance.
- f) **Medical staff Identification:** the medical staff should wear a sign, which notifies them as medical staff. There should be signs to show the way to medical area. At the medical area the staff has to have telephone number of MD
  - g) **Transport** - advanced life support emergency ambulance coverage should be available at the finish line and along the course.
    - First Aid should be available within 4 minutes, emergency vehicle response within 8 minutes. i.e. 2 ambulance cars, 2-3 moving vehicles.
    - when necessary, helicopter should be available
    - Major objective must be in case of severe illness, a runner has to reach the nearest hospital within 20 minutes, if necessary accompanied with one MD. Or an emergency room has to be reached within this time.
    - Transportation for well drop outs should be organised.
  - h) **Medical authority** - Every medical official has the authority to examine a runner who appears ill and to remove the runner from competition.
  - i) The LOC shall arrange interpreters.

#### 701.2 **Adequate location of medical stations** – Types of the Medical stations

- a) minor aid station: can supply blankets, water, transport, communication to get further help
- b) major aid stations: should include MD and equipment as at the finish line
- c) finish line: field hospital, fully equipped, at least 1 MD, 3 professionals and 4 non-professionals
- d) flexible vehicles: defibrillator equipped, are able to be at the course within 4-6 minutes
- e) helicopter should be available to reach remote parts of the course

#### 701.3 **Adequate equipment and supplies**

Finish line, field hospital: tent, cots, stretcher, wheelchair, defibrillator, drug kit, oxygen tank, typical medical supply, 1-2 advance life support ambulances. There is a list of expected minimum equipment.

#### 701.4 **Communication system**

- a) amateur radio & Mobile phone
- b) volunteers at the course every 0,5km; every 0,25km in the last km
- c) District's emergency number, hospitals, emergency medical vehicles, police, fire fighters must be informed and coordinated
- d) Communication has to work among the medical staff and race director as well as with the public authority (police, ambulance, hospital) as with the team leaders of the competitors country, should develop medical information for Team Manual
- e) The medical director has to proof to the LOC/WMRA, that in any case of severe illness a runner can be transported to hospital within 20 minutes. The medical director has also to proof that a runner with severe illness can be reached with defibrillator within 8 minutes and reached by a CPR educated staff within 4 minutes. It is also important that the medical staff is equipped with adequate instruments and drug kit in case of emergency.

701.5 **WMA Safety Officer Role:** The World Masters Athletics (WMA) Safety Officer has the authority to withdraw from competition any athlete whose continued participation in that competition would, in the opinion of the Safety Officer, endangers the athlete's health or the safety of the other competitors. The WMA Safety Officer will always work through the LOC Medical Services on medical matters.

## 702 **DOPING CONTROLS**

### 702.1 **Principle**

Doping tests will be carried out according to the World Athletics Rules and Regulations. The LOC is responsible for the set-up of the facilities and for all the costs related to all kind of doping controls.

### 702.2 **Doping control delegates**

A doping delegate can be nominated by national anti-doping governing body; they will work in close cooperation.

### 702.3 **WORLD ATHLETICS involvement**

The World Athletics Medical and Anti-doping Department will send in advance to the LOC various information regarding the organisation of the controls, the number of tests to be carried out and the name of the chosen Laboratory for the analysis. These instructions have to be followed carefully.

### 702.4 **Doping Control room for urine sampling**

The doping control room shall be secured: access restricted to doping personnel, the athlete and one accompanying person per athlete only and/or an interpreter if necessary.

The facilities have to be approved by the WMRA Delegate:

- a waiting room with adequate seating
- a working room
- two adjoining working rooms (male and female).

**702.5 Personnel**

The LOC will provide one doctor and/or doping officer, assistant to witness the urine collection and appropriate number of escorts for the athletes' notification.

**702.6 Material**

LOC shall ensure that approved materials will be available.

**702.7 Additional tests**

WMA and WMRA may decide to organise additional tests (blood or other) at their costs; the LOC will help to find and educate the requested chaperons; their only financial contribution would be the accommodation costs of the additional people (4 persons maximum).

## **Section 8 – PRESS**

**800 PRINCIPLE**

The LOC will send to the WMRA Delegate, two months before the competition, the proposed plan for services to be provided to the Media, such as:

- Media Centre: location, opening hours, equipment, personal
- Media seats: location, equipment, access
- Telecommunication equipment
- Flash Interviews
- Formal Interviews
- Press Conferences
- Statistical data
- Press releases
- working conditions for the photographers
- Accreditations and photographers bibs

The LOC has also to guarantee that immediately after the competition, a minimum of 10 high quality photos will be available for the use and the needs of the WMRA.

## **Section 9 – TELEVISION**

**901 PRODUCTION**

The LOC will do its best to find a way to find a company to produce the images of the Championship: National or regional TV channel, private TV company ...

**902 RIGHTS**

WMRA owns the rights of showing the Championships images worldwide, but in case the LOC finds a partner to do the production the rights for the host country will grant free of charge. WMRA, LOC and the TV Company will discuss in good faith the distribution outside the host country. In any case, WMRA will keep the right to show the images on its website (streaming).

## **Section 10 – PROMOTION**

**1000 TARGETS**

The LOC has to develop ideas to promote the Championship

- nationally and regionally, in order to attract the spectators and the media;
- Internationally, in order to promote the City/Region and Mountain Running.

A comprehensive promotion campaign must be organised emphasising that this is a World Event at which the world's best athletes can be seen.

## **1001 PROMOTION PLAN**

The plan should include some, or all, of the following:

- Schedule of press conferences prior to and during the Championship,
- Press releases which are sent periodically to the Media,
- Mailing to the Athletics community and other groups,
- Promotion stand/display during athletics competitions and public fairs,
- School promotion (i.e. design or name of the mascot, country attribution per school) and school projects,
- Distribution of stickers and flyers,
- Poster and Billboard displays in public areas and in the city,
- Banner displays in the city,
- Advertising in the newspapers and magazines,
- Radio and Television advertising,
- Flags of the participating countries displayed downtown prior to the event,
- City decoration prior to and during the event ...

## **1002 LOGOS - BRANDING**

- a) At latest six months before the competition, the LOC has to create a logo for the Championships and keeps the right of any commercial usage of it on the regional and national levels.
- b) The LOC can also create, if it wishes so, to create a Mascot.
- c) The WMRA and WMA logos shall appear in all official print material.

## **1003 LOC WEBSITE**

### **1003.1 General**

- a) The LOC must create a dedicated website, the content of which must be approved by the WMRA Delegate.
- b) It should open at latest 9 months before the competition.
- c) It must be in English; a version in the national language should also be available with eventually a different content.
- d) Traditionally, the web site address is: "WMMRChyyyy.xxx", where "yyyy" means the year of the event and "xxx" means the World Athletics abbreviation for the country.
- e) the front page of web site should present full name of the event including WMRA, WMA and event logo and should show the challenge and beauty of mountain running.
- f) this website will be linked to the WMRA and WMA website.

### **1003.2 Typical content:**

- a) Host country and city presentation – could be just a short presentation and link to the local web site
- b) Presentation of the venue (detailed maps of the local situation – accommodation-ceremonies-races...)
- c) LOC structure
- d) Program and timetable
- e) Courses (facts, map, profile, description; photos)
- f) Entries (general information, visa information, final start list)
- g) Results (of course active only after the event)
- h) Photo gallery (before the event photos of the venue; photos of ceremonies etc and races during and after the event)
- i) statistics (previous results if it is traditional race; results of previous Championships editions; could be link to WMRA Web site)
- j) "Event Manual" as .pdf file should be available for download as soon as possible.
- k) Basic info regarding travel, accommodation, local transportation etc should be also available as long as Team manual is not available.

## **1004 OFFICIAL PROGRAMME**

### **1004.1 Principle**

If the LOC decides to print an Official Programme, it should be provided free of charge to the participants, the WMRA, the WMA, the commercial and public partners of the Championship.

### **1004.2 Languages**

The programme should be in English and the national language.

### 1004.3 **Content**

Its content must be approved, page by page by the WMRA Delegate, should include:

- Competition logo on cover page (and mascot if any),
- WMRA and WMA Presidents' messages,
- Authorities and/or LOC message(s),
- WMRA Council Members – WMRA/WMA Delegates - LOC Members
- Timetable,
- Courses,
- Presentation of Mountain Running and the Championship,
- Promotion text about the city/country,
- Editorial texts,
- Statistics of the previous Championships and past winners,
- Advertising for the partners of the Championship
- Start list, including athletes' bib numbers

## **Section 11 – OTHER ASPECTS**

### **1100 ACCREDITATION**

#### **1100.1 Principles**

The LOC is responsible to put in place a very simple system of accreditation.

#### **1100.2 Layout of the cards**

- Cards must be given to all teams participants (athletes, officials ...), to the Members of the WMRA Family, to the LOC and its volunteers, to the Media.
- The different categories of people should receive cards with different colours
- Presence of names and photos on the cards is optional.

#### **1100.3 Accreditation Plan**

- The LOC will reflect on the definition of the different zones and will number them
- The cards will give access to specified zones.
- The WMRA/WMA Delegates and the members of the WMRA Council will have access to all zones.

#### **1100.4 Distribution of the cards**

- For the Members of the WMRA Family: on arrival, as part of the “welcome pack”;
- For the competitors: once the registration (and the financial aspects) have been settled.

### **1101 SECURITY**

LOC will provide a security service to keep safe all equipment (e.g. Timing, Computer companies, Tribune, course preparation) as well as the access to dedicated zones and reserved parkings.

### **1102 VISAS**

1102.1 Up to 50 Countries may compete in the Championships. As part of its candidature, the LOC has to classified these federations in three categories

- Cat 1: those for whom no visa is required
- Cat 2: those for whom a visa is required by the Host country and where the Host Country has a diplomatic representation (Embassy, Consulate ...) in the travelling country.
- Cat 3: those for whom a visa is required by the Host country and where the Host Country does not have a diplomatic representation (Embassy, Consulate ...) in the travelling country.

1102.2 For the Category 2, the LOC and the OM will help the delegations to get the visas by sending out an invitation letter, based on the requirements of the Ministry of Foreign Affairs of the Host Country

1102.3 For the Category 3, the LOC will inform the WMRA how these delegations can get their visas.

### **1103 INSURANCE**

The LOC shall secure and maintain, at its own expense, an insurance policy issued by an insurance company to cover:

1103.1 the risk of any damages which may be suffered by him as a result of cancellation, abandonment, postponement curtailment of the Championships (“Cancellation Insurance”);
